EXPLORE

Amaze your senses... look, listen, learn

Take a tour which leads you up the 96 stairs to the top of the tower where you'll experience spectacular views from the tower balcony. Marvel at the optics prism as you imagine polishing its 700 lenses.

Listen to stories of shipwrecks in days gone by as one of the well versed tour guides step you back in time to feel what it was like to be a Lighthouse Keeper at Norah Head Lighthouse.

Learn about the duties of a lighthouse keeper and how the light was first operated.
A lighthouse tour steeped in history is sure to inspire you in adventure!
