Our full moon tours are proving very popular each month and like all sunsets and moon rises are unique every time. Our tour guide Kerrie is an astrologer and moon lover and will be walking us through the astrology, the astronomy, the sunset and the moon's position and influence. And of course taking you to the best vantage points on the reserve and drinking in the spectacular view of the full moon shimmering over the ocean.

## **RETIREMENT OF BOARD MEMBER**

In August 2109, Joy Groves resigned from the Board after fifteen years, from 2004 to 2019. Joy worked hard to ensure the success of the Lighthouse. Her passion and dedication to the Board played no small part making the success the Reserve is today. She can be truly proud of her contribution and the Board recognised this by holding a luncheon in her honour at Breakers Country Club, Wamberal.
